Foreword

We, the Tiger Staff of 1975-76, have completed our work for this year. You hold in your hands the product of many long, tiring, disgusting and fun-filled hours. Our greatest wish is that this volume of the Tiger will help you recall all the happiness, pleasant times and thoughts, of your school days at Latexo, both now and forever. Our Tiger is now a Great Tiger to you. May it fulfill your every aspiration.

Dedication

To you, Mrs. Kay Chapman, we dedicate the 1975-76 Tiger. It is but a small way but a great way to show our appreciation for many long, tedious and hard working hours you have spent in your History classes, Art classes Typing classes and the Tiger room. Your kind, cheerful spirit will always remain with each of those you have helped so dearly. As a small token of our gratitude and thanks, we humbly dedicate this volume of the 1975-76 Tiger to you.

With all our love and thanks.

Nine years ago Mr. L. D. Emmons came forth to Latexo School as a loyal leader and principal. He has led us through our many trials and tribulations. We truly appreciate all the work he has put forth in to the school as a principal and teacher.

Senior Class Will

We, the Senior Class of Latexo School, City of Latexo, County of Houston, and State of Texas, being of blown mind and diseased body, leave the Junior Class our ability of making teachers mad, but still get along with them, our methods of raising money, and finally all our bills and debts from our Senior Trip. We also leave the Sophomore Class the Cake Walk which we started, and last but not least the Freshman Class we leave our ability to eat candy and chew gum for four years and not get caught and also the ability to go through four years of high school and still be partially sane.

- I, MIKE BENNETT, leave my ability to drive the speed limit to Chuck Lee, my ability to keep cool when someone hits my truck and then get even when no one is looking to Greg, and last but not least my ability to lose weight to Curk.
- I, BARBARA VAUGHN, leave my cool but violent temper to Beverly Johnson, who doesn't know what it means to be serious. To Mel, I leave my LONG STRAIGHT red hair. To Greg, I leave all my sweetness so he will be even sweeter than he is.
- I, TAMMY MARSH, leave my ability to have a hair brush around to Memory L., Theresa V., and Mary W., and my good LEFT knee to Alicia Smart.
- I, DAVIDA HOLCOMB, leave my old faded out jeans and holey brown shoes to Alicia Smart.
- I, MARY PRESLEY, leave my ability to keep Mr. Emmons from getting mad to "Porky" Sims; my blue, gold, red, white, and green "toe socks" to Alicia Smart; and all my quietness to Beverly Johnson.
- I, JOAN CRAIG, leave my ability to get along with Dr. Petty to Karla Allen; my ability to skip class and not get caught to Randy Jones; and mine and Barbara's "sisterly love" to Pam and Memory Low. (cause believe me, they need it!)
- I, CATHY WARREN, leave my ability to pass someone and not hit them to Mary Warren, and my ability to type 15 words per minute with 20 mistakes to Chuck Lee and not brag about it.
- I, LLOYD JOLLEY, leave my ability to stick gum in Mr. Bell's desk to Kenny Marsh and get away with it, and my ability to not care about anything and not study to Mark Deal and Marty Perminter.
- I, DANA MARSH, leave my ability to Crickett Allman to chew gum in Mr. Bell's room and never get caught.
- I, ANGELA GRAHAM, leave the drill team to Mrs. Petty with a complimentary bottle of Excedrin. To Chuck, I leave all my carnival tickets, and to myself, I keep the memories of a year of happiness.
- I, JOHNNY PIGFORD, leave my ability to make coffee in the media center to the Juniors, and that's all becuae I'm going to take everything else with me.
- I, DAVID GOOLSBY, being of sound state and mind, do hereby leave my 2 rear view mirrors to Mrs. Gibson. To all the Juniors I leave nothing but one year of trouble.
- I, EKKO, leave my ability to be homesick to all who have happy families here, my ability to write my friends who miss their boyfriends back home, my ability to be quiet to Beverly, and my ability to speak Japanese and French to all Americans in Latexo.
- I, MIKE WHITWELL, leave my ability to pass Mr. Bell's tests without studying to Steve Fowler and my green CHEVY NOVA to Chuck Lee.
- I, EUGENE TAYLOR, leave all my common sense to Greg Graham, all of my cattle to Randy Jones, and my sense of humor to Mary Jane. (Becky Neel)

We, the Seniors hereby appoint Mr. Kirksey and Mr. Hobson our sole executors of this our last Will and Testament. In witness whereof we the Seniors of 1976 set our hand and seal the month of May one thousand, nine hundred, and seventy-six.
